Integrated Healthcare, Safety, Quality, Risk & Compliance Solutions

Origami Risk provides market-leading healthcare, risk, safety, quality, and compliance management solutions — all from a **single SaaS platform** that breaks down data silos, streamlines workflows, and uncovers insights that contribute to improved outcomes. Learn more about Origami's highly configurable and completely scalable suite of healthcare risk solutions by visiting **origamirisk.com.**

"Origami Risk's platform has streamlined our ability to run claims. The dashboard has given us an opportunity to track and trend things across our system… the platform gives us an opportunity to dashboard each location and provider… the product is doing everything we need it to do. I tell others that it is customizable, user friendly, web based, and helpful."

VP of Claims

About Origami Risk

Origami Risk delivers market-leading healthcare risk, safety, quality, and compliance management solutions — all from a single, integrated platform that breaks down data silos, streamlines workflows, and uncovers insights that contribute to improved patient care outcomes. The most experienced service team in the industry ensures that client success is our central focus.
